

# CAPTAIN'S QUARTERS

## Reward Program

The Captains' Quarters, a FREE gift & rewards program unites our Captains' Club (restaurant) and Key Customer Club (hotel) into one membership enabling you, the Captain, to unlock all the benefits awaiting you at the Lighthouse Inn.

Your nautical treasures include special hotel guest discounts and privileges, \$\$ added directly to your membership card for purchasing food and beverages at the Water's Edge Restaurant and Gull's Nest Lounge and a FREE meal on your birthday when you dine with groups of 4 or more. You earn one point for every dollar you spend on food and beverages (some exclusions apply). You get additional points when you dine with friends, family and business associates. When you accumulate 100 points, we add \$10.00 of value to your membership card which you can use for food, drinks, gift items, or hotel stays! Plus, periodic captains' coupons and multiple purchase rewards add great value to your membership!

## **Questions:**

1. What discount do I get? **You earn a \$10 reward for every \$100 spent (see exclusions above). Purchases when you dine with friends and family can also be applied to your membership card.**
2. Can I stay in the old club? **Existing members will need to sign up again for the new program. We feel that our new Captains Quarters rewards offers you even more benefits than before to thank you for your continued support.**
3. How do I know how many points I have? **Your server can look up your points when ordering your food/drinks and you will get a printout when you pay the cashier for your meal. This printout will show your current point value and points added today.**
4. How do I cash in my points? **When you accumulate 100 points, your cashier will add \$10 of value to your membership card. You can use this value for any items you wish at the Lighthouse Inn.**
5. How do I get my FREE Birthday Meal? **Dine with three or more friends/family on your actual birth date and the Lighthouse Inn will pay for your entrée (up to \$15.00).**
