HOTEL POLICY

The Lighthouse Inn offers a complimentary hotel room for the bride & groom on their wedding night*. The room has a king bed and a beautiful view of Lake Michigan.

*Some Restrictions do apply. The hotel will block off a maximum of 20 hotel rooms if needed and based on availability for weddings or functions that are being held at the Lighthouse Inn. We cannot guarantee that all the rooms will be kept together. We will make a master reservation and individual guests should call in to make their own reservation and guarantee their own reservations under the room block name. We do not recommend having you guarantee all the rooms. The Lighthouse Inn will hold your room block until one month prior to your scheduled wedding date. After that date we will release any rooms not guaranteed within the block. We recommend that you contact your out of town guests before you send the invitations out. Our check-in time is 4:00 p.m. We cannot guarantee check-in's earlier than 4:00 p.m. Any questions with this policy should be directed to Laura Werner, the hotel manager. For weddings or functions not being held at the Lighthouse Inn, we will block a maximum of 10 hotel rooms based on availability.

The room must be reserved through the banquet manager at the time the deposit is paid. If the bride & groom does not make a reservation at that time the Lighthouse Inn will be free to rent the room to another guest. Free room is available only for wedding receptions with over 100 paid guests held in the Lighthouse Inn banquet Hall. The free room can be used by the bride & groom only and can not be transferred to another individual. The free room can only be used on the night of the wedding reception and cannot be transferred to another date. If a different hotel room is requested by the bride & groom they are responsible for the amount over the rack rate of the free room. In the event that the bride & groom request a room that has a lesser rack rate charge no cash or credit will be issued.
